

New Committee Members are URGENTLY Required

Our AGM will be held in New Mills Town Hall at 10.30am on Tuesday 19th November 2019 when we will elect our officers and committee members for 2019/2020.

Your present team all lead very busy lives, but manage to find a couple of hours once a month to ensure that our U3A runs smoothly. But in order to keep the committee functioning effectively we *urgently* require more committee members. Without a full complement of officers and committee members our organisation will have to close down. This is because the time the Chair (in particular) is allowed to hold office is limited by our constitution. We have managed to keep going this year with a limited number of committee members, but the “ex officio” role of Deputy Chair has been vacant for a number of years.

Our U3A currently provides the opportunity for members to share their skills and interests in numerous and diverse groups, and I do not want it to fold for want of a few people offering to help to keep the committee functioning (as it must).

I therefore appeal to all members (particularly men – our present officers and committee are all women) to think carefully about whether they could help to keep our organisation alive.

If you need more information about what is involved please contact me or any committee member.
